

December 1, 2006

Dear Valued Customer:

JR'S Welding is pleased to announce we are expanding both our operations and capabilities to serve you better. Starting December 21st. 2006 we will be amalgamating the knowledge and expertise of JR'S with the capabilities and strength of Eclipse Automation Inc.

Eclipse Automation Inc. is a highly successful Cambridge based company that is primarily involved in the custom equipment manufacturing business. This expansion will double our workforce and size of the facility by combining JR'S fabrication facility with Eclipse's at 470 Collier Macmillan Dr. Units # 2&3.

JR'S Welding will continue to operate as an independent organization servicing the custom welding and fabrication markets as a separate division of Eclipse Automation Inc.

The sales and plant phone numbers at JR'S Welding will remain the same. We have a new email address: jrswelding@eclipseautomation.com.

All accounting enquiries will now be handled out of Eclipse's head office, 130 Thompson Drive, Cambridge, ON. N1T 2E5. Tel: 519 620 1906, Fax (519) 620 2015. Please note our new business number 863942934RP0001

We are confident that our combined relationship will result in a stronger more capable organization that has additional capacity combined with the same quality of service.

Please call with any questions or concerns. Thank you for your continued business.

Jeff Heffernan
JR'S Welding & Custom Fabrication.
